

ACADEMIC YEAR 2025-2026

WHO ARE WE ?

LIPE is an **independent parents' association** that has been active in Courbevoie for 20 years.

Our members are present in all school year groups (from Maternelle to Terminale), as well as in the International Sections of Courbevoie.

We relay parents' concerns, are attentive to the daily well-being of all children, and work constructively with the School Director and all members of our children's school environment: teachers, school staff, the Town hall, the VAL, The Versailles academy, etc.

We wish you an outstanding school year! Please, find below practical information about school life and your representatives.
